

Institutional and OptiBreech access for the online Physiological Breech Birth course

1. Click your Institution's private link and enter the password.

2. You should see a bar like the one below. Click on 'Login to enroll'

3. If you do not already have an account with us, click 'Register and Account'

4. Once you register, you will return to the enrolment page. Find your institution and click on the link.

If you have access through your institution, select your course below. Obtain your password from your local breech lead.

- [OptiBreechTraining](#) — for all Trusts participating in the OptiBreech Study
- [Baby Lifeline](#) — for Baby Lifeline breech instructors
- [The Queen Elizabeth Hospital, King's Lynn](#) — for Trust employees

5. Click 'Take this Course'

The screenshot shows a course card with the following details:

- Current Status:** NOT ENROLLED (in an orange button)
- Price:** Free
- Get Started:** Take this Course (in a light orange button)

6. Once you are registered, you can find any course you are enrolled in on the 'Your On-line Courses' page at the top of the Breech Birth Network website.

The screenshot shows the navigation menu for the Breech Birth Network website:

- Breech Birth Network** (main header)
- a community interest company dedicated to increasing skills and knowledge about vaginal breech birth** (tagline)
- HOME
- BLOG
- PUBLICATIONS
- THE BREECH BIRTH TRAINING
